BEAT NMC BY KNOWING THE UOC

YEAH! THIS OIL PAN IS
TOO SMALL FOR THE
M1025A2. WHAT GIVES?

THIS GOES
TO THE
M1025A1, NOT
THE M1025A2!

GOOD
QUESTION.
I LOOKED
UP THAT *NSN*
MYSELF.

BONNIE,
WHAT DID I
DO WRONG?

YOU GOT INTO
TROUBLE BECAUSE
YOU DIDN'T CHECK OUT
THE *UOC* (USABLE ON
CODE) FOR THE
M1025A2 BEFORE YOU
ORDERED THE PART.

I'LL SHOW YOU WHAT I MEAN IN THE
PARTS MANUAL—TM 9-2320-280-24P-1
—THAT COVERS MANY MODELS OF THE
HMMV. ONCE WE ID THE *UOC* FOR
THE M1025A2, WE'LL BE READY TO GO
TO THE PARTS LIST FOR THE OIL PAN.

UOCs ARE SHOWN IN THE
SPECIAL INFORMATION SECTION AT
THE FRONT OF THE PARTS TMS.
IN THIS CASE, PARAGRAPH 5A
LISTS *UOC* B17 FOR THE M1025A1
AND *UOC* C17 FOR THE M1025A2.

NOW WE'RE
READY TO
CHECK OUT
FIG 4 FOR
THE OIL PAN
FOR *UOC* C17.

5. Special Information TM9-2320-280-24P-1

a. Usable on Code. The usable on code appears in the lower left corner of the Description column heading. Usable on codes are shown as "UOC....." in the Description Column. Usable on codes are shown in the first line of the usable on code. Usable items are applicable to all models identified in the usable on code.

Code Used On
AVY M103741
A11 M1056A1
A13 M1056A1

Code Used On
B17 M1025A1
C17 M1025A2

THE OIL PAN IS ITEM 22 OF FIG 4. LOOK,
ITEM 22 IS LISTED TWICE, AND HAS TWO SIZES
AND TWO LISTS OF *UOCs* THAT ARE DIFFERENT
FROM EACH OTHER. *UOC* B17 USES THE 6.2-LITER
OIL PAN (THE FIRST ENTRY) AND *UOC* C17 USES
THE 6.5-LITER PAN. YOU ORDERED THE FIRST
OIL PAN YOU FOUND, RIGHT?

YES, MA'AM. IF I
HAD KNOWN ABOUT
THE *UOC* I WOULD
HAVE ORDERED THE
6.5-LITER OIL PAN
BECAUSE IT'S USED ON
THE M1025A2, *UOC* C17.

SECTION II

TM9-2320-280-24P-1

22 PAOFF 34623 5588022

OIL PAN 6.2 LITER.....1

OIL PAN 6.5 LITER.....1
UOC: BVY, B15, B20, B24, C17
•PLUG, MACHINE THREAD...
•GASKET

MANUALS THAT COVER MORE THAN ONE
MODEL OF A VEHICLE FAMILY USE THE *UOC* TO
ID PARTS FOR SPECIFIC MODELS. SO MAKE
SURE YOU KNOW THE *UOC* FOR YOUR VEHICLE
BEFORE YOU LOOK UP THE PART YOU NEED.

AND BE SURE YOU KNOW
THE VEHICLE *UOC* WHEN
SIGNING FOR IT ON A TM-
GENERATED PREPRINTED
HAND RECEIPT. OTHERWISE,
YOU COULD END UP SIGNING
FOR THINGS THAT DON'T GO
WITH THE VEHICLE.

IT *PAYS* TO
KNOW *HOW*
AND *WHEN*
TO USE THE
UOC.
